What are your entitlements under the Dealer Care Extended Guarantee?

Your Vehicle will have undergone a pre delivery inspection to ensure it reaches you in the best possible condition, however no matter how well the vehicle is prepared, things can go wrong. The Dealer Care Extended Guarantee sets out to protect you against the cost of repairs resulting from the failure of the components specifically listed in this document. The duration of the Guarantee and claim limit will be detailed on the schedule.

Definition of Mechanical or Electrical Failure

The definition of Mechanical Failure shall mean, the sudden failure of a component arising from any permanent mechanical or electrical defect, (for a reason other than wear and tear, normal deterioration or negligence). The Guarantee will not meet the cost of routine servicing and maintenance, adjustments or components failing as a result of normal wear and tear.

If you need to make a claim

AA Warranty operates a nationwide network of nominated repairers who are fully conversant with our repair procedures and we reserve the right to use these repairers at our option to carry out repairs to your vehicle. No repairs may commence until authorised by AA Warranty and a claims authority number has been issued to you.
